Refund Policy

We want families to feel confident in their purchase. Our refund policy is designed to be clear, fair, and aligned with ESA program requirements.

Refund Window

Families may request a refund within 7 days of purchase if:

- The student has accessed less than 20% of the course, and
- The family no longer wishes to use the curriculum.

Non-Refundable Once Accessed

After a student accesses 20% or more of the course material, the purchase becomes non-refundable, because the educational content has been delivered and used.

Please include the parent name, student name, and the order number.

Processing Time
